Directions:

1. Write five names of things that may be known by the sense of sight.
2. Write five names of things that may be known by the sense of hearing.
3. Write five names of things that may be known by the sense of touch.
4. Write five names of things that may be known by the sense of taste.
5. Write five names of things that may be known by the sense of smell.

Don't forget commas between words in a series.

Example: I can see flowers, trees, grass, animals, and people.

1. I can see

Write five names of things you know exist but you cannot perceive with your senses.
Some things I cannot perceive with my senses are...
